Use of your information

In assessing your application, Peninsula Finance plc (Peninsula) may make enquiries about you, including searching any records held by credit reference agencies and checking your details with fraud prevention agencies. If you give us false or inaccurate information and we suspect fraud, we will record this. The credit reference and fraud prevention agencies will keep details of any searches. Information held about you by the credit reference agencies may already be linked to records relating to one or more of your financial partners. For the purpose of this application you may be treated as financially linked and your application will be assessed with reference to any 'associated' records. Should we seek to obtain possession of your property, you consent to us disclosing details of your outstanding balance and our intentions to your first mortgage provider. We will do this to try to reduce the legal costs which you may incur and to ensure parties with an interest in your property are kept properly informed. You consent to us disclosing details of your application and how you conduct your account (including any default) to credit reference agencies, fraud prevention agencies and other relevant organisations. This information may be used to help us and other organisations (a) to assess the financial risks of dealing with you and other members of your household; (b) to help prevent or detect fraud, prevent money laundering or other crimes, recover debts and trace debtors; and (c) for statistical analysis about credit and fraud. You agree that information about you and your loan may be used by us for the administration of the loan. By signing this application you accept use of your information and consent to us contacting you by telephone, mail, email or SMS messaging for the purposes of dealing with your application.

I/we agree that:

1. Peninsula can rely upon the information I have provided in this application, which I/we confirm is complete and true. It is a criminal offence to knowingly supply false information to obtain a loan.
2. If any of the information in the application changes prior to us making the advance I/we will inform the credit intermediary (broker) and Peninsula

3. Peninsula, or the credit intermediary (broker) may search the files of credit reference agencies which will keep a record of the search. I acknowledge that multiple credit searches may affect my ability to obtain credit elsewhere.
4. The credit intermediaries (brokers) in this application are not an agent of Peninsula and I/we accept that where we used a broker I/we did so of my/our own free choice. I/we acknowledge that any broker involved in the transaction shall be regarded as my/our agent and Peninsula are not responsible for their actions or advice. I/we authorise Peninsula to pay the credit intermediary (broker) fee set out in the Mortgage offer or any other document giving consent to deduct said fee and a commission if my/our loan completes.
5. Peninsula and its agents can make enquiries in connection with this application as it considers necessary, and I hereby authorise such persons to pass this information to Peninsula.
6. Any information about me and my account may be used by Peninsula to open and manage the account, make lending decisions, collect debts, trace debtors, prevent fraud and money laundering and for business analysis.
7. I understand that this loan will be secured against my property and any false, inaccurate or incomplete information provided may invalidate the loan agreement, which could mean that the property is liable for repossession.
10. I have completed all relevant sections of this form prior to signing and all details provided are true and not misleading.

Peninsula may store the information I have provided to it on computer or in records. I acknowledge that Peninsula will only use information for this purpose registered under the Data Protection Act 1998 and that I may request in writing a copy of my details Peninsula holds about me and shall be supplied with such details upon written request to the Data Protection Officer at Peninsula. There will be no charge for this request.
